

## Virtual Charity Wheelchair Build

Created by Team Building Nation, our impactful give-back activity *Charity Wheelchair Build* helps disabled American Veterans and other individuals with mobility challenges.

Participants will engage in exciting and interactive group activities, then build and decorate their wheelchairs with colorful notes of encouragement for people who will be the recipients of these brand new wheelchairs.

### The Team Experience:

- Prior to the event, participants are provided with a special delivery, including their wheelchair kit and a welcome letter which includes what to expect and the list of items they will need to have on hand for the big day
- Event kickoff begins with a fun and effective group opening activity
- Our experienced facilitator shares step-by-step assembly instruction with your group and takes them through a comprehensive safety inspection of your assembled wheelchairs to ensure safety
- Participants get to show off their completed, decorated wheelchairs while sharing where they will be donating their wheelchairs and why they chose that charity
- Participants pose with completed wheelchairs for a final group screenshot

Virtual programs are delivered via Zoom. If you prefer a different platform, we are happy to accommodate, if at all possible.

If your team is located in the same geographical area, we would be happy to assist in locating and coordinating with a deserving charity in your community.

#### Event Details

- Group Size: 30 to 100+
- Program Length: 1.5 hours
- Setting: Virtual
- Physicality: Low

#### Event Outcomes

- Generosity
