

Virtual In It to Win It

Based on the hit TV show, this virtual event is delivered live directly to you wherever you are, and features fun, fast-paced tabletop games using everyday household items.

This high-energy experience will have your group competing, laughing hysterically and cheering each other on to be named the *Virtual In It to Win It* champions!

A sure-fire winner, *Virtual In It to Win It* works as upbeat competition during a break from a long day of meetings, or as a stand-alone team building fun!

The Team Experience:

- Prior to the event, participants are provided with a welcome letter which includes what to expect and the list of items they will need to have on hand for the big day
- Event kickoff begins with a fun and effective group opening activity
- The event facilitator demonstrates the challenges for each round of competition
- Teams are assigned to virtual breakout rooms to practice the activities and brainstorm better ways to improve execution
- Your entire group then comes back to the virtual general session room for the exciting competition
- Multiple rounds are played using a three-step system of demo, practice and competition
- Examples of challenges: Back Flip - tossing and catching an ever-increasing number of pencils; Card Speed - a race to put a shuffled deck of cards in a specific sequence; Game of Chance - shoot the dice, add points to achieve a high score while avoiding 'snake eyes' and losing it all
- Our unique scoring system keeps energy flowing and teams in the thick of the competition
- Finale includes announcement of the teams that won each individual challenge as well as your overall *In It to Win It* champions

Virtual programs are delivered via Zoom. If you prefer a different platform, we are happy to accommodate, if at all possible.
