

## Virtual Jeopardized!

Bringing all of the high-spirited fun of the popular TV game show to your participants virtually, this Jeopardy-style program delivers challenges in the form of trivia questions as well as audio and video clips by an engaging host.

Complete with scoring, authentic sounds and music, participants buzz in with their personal Apple or Android device, accumulating points for their team. Jeopardized! will have everyone cheering and fully engaged during a team building or fun employee session.

## The Team Experience:

- Action begins with the facilitator’s short and powerful energizer
- The group is divided into teams
- Questions cater to domestic or international groups, with topics including World History, Sports, Entertainment, Pop Culture, etc.
- A bracketed system of play progressively leads teams to the final round
- The winning team is celebrated and awarded bragging rights until the next session

Virtual programs are delivered via Zoom. If you prefer a different platform, we are happy to accommodate, if at all possible.

A creative charitable donation can be added to all of our virtual programs – ask us how!
