

## Virtual Price it Rite

Based on television's longest-running game show, *Price it Rite* is an exciting game of bidding, buying and bantering with your host and co-workers. This popular program includes a wide variety of contests and games, all with the same basic challenge: guess the prices of everyday items without going over the retail price.

The teams whose price estimates are the closest move on to the final rounds. This event works well in person with all of the props and stage games, or virtually with themed apps and gamification. *Price it Rite* is perfect as an engaging, fun activity for groups of all sizes!

### The Team Experience:

- Action begins with the facilitator's short and fun energizer
- Choose your version - teams or individual play. If team play, facilitator or client creates the teams
- Start Play: challenges may include fun games such as Bullseye, Master Key, Squeeze Play, Hole In One, Plinko, Lucky Dice, Shell Game, and Race Against the Clock
- The scoring system keeps everyone engaged throughout and every team has a vested interest in the outcome of every challenge
- Teams can earn extra points by winning a quick contest after every challenge
- Top teams participate in the Showcase Showdown in order to be crowned the winners
- Clients have the option to provide prizes for winners and/or the quick contests

Virtual programs are delivered via Zoom. If you prefer a different platform, we are happy to accommodate, if at all possible.

A creative charitable donation can be added to all of our virtual programs – ask us how!

#### Event Details

- Group Size: 30 to 200+
- Program Length: 1-1.5 hours
