

In It to Win It for Charity

Based off of the hit TV show, this program features fun, fast-paced tabletop games using everyday household items and office supplies. This version also sees the construction of care packages for your targeted group: children, adults, military and more!

In It to Win It for Charity can be presented as a high-energy group teambuilder between meetings or as your evening entertainment following a company dinner.

The Team Experience:

- Kickoff begins with a lively and proven opening activity
- Multiple rounds are played using a three-step system of demo, practice and competition
- Examples of challenges: Back Flip - tossing and catching an ever-increasing number of pencils; Card Speed - a race to put a shuffled deck of cards in a specific sequence; Game of Chance - shoot the dice, add points to achieve high score while avoiding 'snake eyes' and losing it all
- Unique scoring system keeps energy flowing and teams in the thick of the competition
- Grand finale includes exciting awards ceremony complete with gold medals
