

## Price it Rite

Based on television's longest-running game show, *Price it Rite* is an exciting game of bidding, buying and bantering with your host and co-workers. This popular program includes a wide variety of challenges, contests and games, all with the same basic challenge: guess the prices of everyday items without going over the retail price.

The team whose price estimates are the closest move on to an exciting challenge worth even more points. This event works well in person with all of the props and stage games, or virtually with themed apps and gamification. Perfect as an engaging, fun activity for groups of all sizes!
