

Operation Homeless Care

Are you looking for a way to give back to your community? This program gives your team the opportunity to help those in need by assembling backpacks full of essential items that will then be donated to a local homeless shelter.

Utilizing our iHunt® app, participants solve engaging photo, video and trivia clues to earn all items necessary to complete the care packages. These trivia questions will serve as a learning opportunity for your team to develop a better understanding of how homelessness impacts our nation.

Not only does this program benefit your local community, but it will bring your team closer than ever before as they utilize their problem-solving skills in a fun, unique team building environment.

The Team Experience:

- A high-energy icebreaker gets your group engaged and ready to go
- Teams solve fun trivia challenges using the iPad app to earn points
- Points are redeemed for items needed to assemble the care packages
- Teams will write an encouraging letter to the recipients of the donations
- Participants pose with their completed care packs for a final group picture
- When possible, a charity representative will appear to receive the donation - this proud moment will make a lasting impression

Event Details

- Group Size: 30 to 2,000+
- Program Length: 1.5-2 hours
- Setting: Indoor/Outdoor
- Physicality: Low

Event Outcomes

- Helping the Community
- Teamwork
