

Virtual Wheel of Good Fortune

Based on the classic TV show, *Virtual Wheel of Good Fortune* brings the game show fun straight to you, virtually! This exciting team building program will have your group solving a “hang-man” style word puzzle one letter at a time while utilizing real game show visuals and sound effects. Teams will take turns competing by spinning the wheel and guessing letters to earn points. The team with the highest scores will then compete to find out who will be named the champions!

The Team Experience:

- Program begins with a short and powerful icebreaker
- The group is divided into teams
- Teams will spin the wheel and guess letters to earn points
- Teams with the highest points will move on to the next round
- The final two teams will compete and a winner will be determined
- The winning team is awarded bragging rights

Virtual programs are delivered via Zoom. If you prefer a different platform, we are happy to accommodate, if at all possible.

A creative charitable donation can be added to all of our virtual programs – ask us how!
